

GILCHRIST FARMS & FRIENDS

“**IN IT TO WIN IT**”
12TH ANNUAL
PRODUCTION SALE

SATURDAY, OCTOBER 7, 2023 | 1:00 PM | LUCKNOW, ON

12 YEARS OF THE

IN IT T O

WIN IT PRODUCTION SALE

It is hard to believe that 12 years have now passed since the inaugural GF and Friends In It To Win It Sale. From the smaller ring in the old shed to the newer facility we now call home; we have been very fortunate to have been supported by so many great people from across the country as well as south of the border. They say time flies when you enjoy what you are doing and not only do we enjoy what we do but we see the joy and eagerness in the next generation of Gilchrist Farms. It is because of the next generation that we are wanting to take a step back and assess the time commitment to ensure the same eagerness and joy stays for years to come. With the integration of the Beefway, our focus remains on producing the best seedstock genetics we can for our customers and to provide opportunities to market their cattle. This alignment between seedstock and commercial markets is one of the ways we are helping create value and ensuring success for the future.

As with previous sales, the quality runs deep and from breeders who bring forward integrity, longevity and passion with everything they do. I am incredibly proud to work with these breeders year after year and humbled by the support not only for this sale but the support that they provide throughout the year.

The Angus breed has never been stronger, the cattle business vibrant and the future of the industry is more than optimistic. Cattle inventories are at an all time low, prices breaking records week after week and with no end in sight. We welcome everyone to join us on Thanksgiving weekend for one more memorable event.

BRAD, KRISTIE AND PEYTON GILCHRIST

DIRECTIONS...

Address: 1269 Grey Ox Ave

Lucknow On

From Lucknow head North on County Road 1 to 2nd corner (Grey Ov Ave) turn left or west, 4th place on the left.

I can think of no better example of a family in the business that have had the dedication, patience, and persistence towards building up a distinguished and reputable program then the Gilchrist's.

With 2023 marking the 12th running of the In It To Win It Sale, the tradition of Thanksgiving Saturday being the time to acquire highly distinguished and reputable cattle from equally as respected breeders has long been established. From its humble beginnings in the old shed, to now being hosted in the beautiful GF sale facility, this sale promises an enjoyable and fun atmosphere.

As I stated above, the Gilchrist's are extremely dedicated people in the agricultural industry. Brad and Kristie are two of the busiest people that I know, with no signs of slowing down. That said, with their new venture of The Beefway in Kincardine taking off, they have decided it was time to slightly scale down their numbers. The GF section of the catalogue is large in numbers, but even more abundant in quality. You will have access to top notch genetics from the mainstay cow families of the GF operation, including the famed Evening Tinge's, Mercedes, and Barbara females. There are many bred heifers on offer that are so current in terms of their design, pedigree, and services; the future opportunity here is endless. The pair section in this years catalogue shines from Gilchrist, and I must make special note of the Lot 49 and A pairing. This front pasture two year old Mercedes female and her stout baby at side spell out what the GF program is all about. I would also suggest flipping to the very last lot in this catalogue... that picture will say it all.

The effort that is displayed by this outstanding group of consignors is admirable to say the least. The Ribey families of Tambri Farms, Iris Creek, and Deacan Ridge are some of the best people you will ever come across. They all bring to us solidly built, easy fleshing type of females with a big shot of look; they have all the pieces to become cornerstones. An intriguing opportunity from Braemar Cattle as this is their first foray into consigning Angus cattle. Here you have the opportunity to select from their females that descend from the beautiful Werner Lady 3003. The Windcroft and Ellsmere outfits both offer us extremely attractive females both in design and on paper. The Lot 17 female from Lynden Manor has everything you could ever ask for in a donor female, take the time to read the list of all the greats in her pedigree. Scovac Livestock offers 3 heifer calves, two being ♀ maternal sibs, that are all as maternally made as one could ask. Two bred heifers make their mark as standouts in the Breezy Knoll portion, check out those services.

I would highly encourage you to make your way to beautiful fall time Lucknow and take in the backdrop for some of the finest seed stock to sell this year. The atmosphere is awesome, the consignors are fun, and the cattle are exceptional. Please call any of us at T Bar C for assistance and any questions regarding the cattle.

See you in Lucnow,

Delia 14K is a very deep bodied heifer with good feet. She is sired by the Semex sire Montana Enterprise who has bred very well in our herd. Enterprise is stout made with outstanding muscle expression and great feet. He is known for siring moderate framed, easy fleshing, good uddered females. Her grand dam was purchased from WorthMor Cattle as a heifer. She was an awesome producer and is an elite dam in the Canadian Angus Herdbook. Her daughter and dam of this heifer 44F is on her way to Elite status with her calves weaning index at 106. She is is halter broke. **AI bred to Musgrave Colossal on April 21. Exposed to Tambri Kennedy 3K from May 7 to June 10. Examined favourable to the AI service. CONSIGNED BY TAMBRI FARM**

WERNER LADY 3003

SELLING TWO OF THESE THREE FUTURE DONORS

Selling 2 of these 3 lots is bittersweet. They'll be the first 2 animals we've ever sold in the Angus breed.

In 2018 we saw Werner Lady 3003, owned by Norfolk Cattle. A beautiful big-framed donor and one of the longest Angus cows we have ever seen. Lady 3003 had been mated in a flush to Musgrave 316 Stunner. In 2020, we looked online and saw that a heifer from this mating had been born and wanted to see the resulting calf, Norfolk Lady 39G.

Lady 39G is a quiet, large framed, milky, long & capacious bodied cow that has proven to be a fantastic fertile mother. Her first heifer, Braemar Lady 1K had a BW of 69 lbs and an adjusted WW of 719 lbs!

Both 1K and 4L share the same traits we love about their mom. Not only do they exhibit 39G's quiet temperament and long thick frame, but they post unique genomic profiles with 9 and 8 EPD traits in the top 25% of the breed, respectively!

Here's your opportunity to choose up to 2 of these future donors and add them to your herd for extra performance and style. We will be retaining 1 of these females.

All 3 animals are Leukosis and Johne's disease negative and are fully vaccinated and dewormed.

As sad as it will be to see 2 of these "Lady's" go, we know that they will thrive in their new homes and have a positive impact in your programs.

Feel free to drop by ahead of sale day, see our animals, and talk cows!

- ▼ **BW:** 1.5 ▼ **WW:** 55 ▼ **YW:** 102 ▼ **MILK:** 22

Check this heifer out with a little different pedigree twist. Ellsmere Sioux 3701L is a stout, wide topped, thick made heifer that is as quiet as you can make them. She's sired by one of Musgrave Angus senior herdsires LD Grazer. He is known for siring calves with lots of muscle shape, power and docility. Sioux 3701L's dam (Premier Sioux 701E) comes from the exceptional Premier Livestock program. Sioux 701E has done very well for our operation. She is wide pinned, great natured, cool fronted and always raises a great calf. Her first calf sold in this very same sale a few years back going to 4D Acres. That said we feel Ellsmere Sioux 3701L will make a great addition to any herd.

Rita 9656 is a balanced-trait daughter of the \$180,000 valued former Express Ranches and Vista Farms matriarch, Sunrise 1482 sired by the past top-selling bull of the Express Ranches Bull sale featured in the EXAR and Double GG Farms programs, Spread. Sunrise 1482, the dam of Rita 9656 is one of the all-time great producers to work in the Express Ranches donor program and combines the proven female sires, Sunrise and New Design 5050 with the proven marb. sire, Predestined. Maternal siblings to this proven and productive Lynden Manor foundation Rita include: Rita 6840, the \$97,500 top-selling fall yearling of the 2017 Big Event selling to Deer Valley Farm; Sunrise 68736, the \$90,000 top-selling bred heifer of the 2018 Express Ranches Big Event selected by Optum Angus; Rita 8713, the \$80,000 valued half interest selection of Cal Nash Ranch in the 2018 Big Event; Rita 7672, the \$80,000 valued Edisto Pines Farm and Horn Family Farms donor who produced the \$170,000 all-time high-selling female Rita J158 in the 2023 Edisto Pines Sale selected by Spruce Mountain Ranch and Express Ranches and the \$145,000 Rita J151 selected by Deer Valley Farm and Elite Cattle Company in that offering; Galliant, the \$50,000 second high-selling bull of the 2017 Express Ranches Fall Bull Sale; and Rita 7673, the \$25,000 selection of Riverbend Ranch in the 2018 Bases Loaded Sale to serve as the cornerstone Rita in their elite donor program. **AI bred to Connealy Craftsman, due to calve on March 27.**

- ▼ **REGISTRATION:** 2275766
 - ▼ **TATTOO:** PHZ 41K
 - ▼ **DOB:** MARCH 29, 2022
 - ▼ **SIRE:** MOHNEN GENERAL 548 (Colonel X Madame Pride)
 - ▼ **DAM:** THOMAS ELMARETTA 4476 (Complete X Elmaretta)
 - ▼ **BW:** 1.4 ▼ **WW:** 66 ▼ **YW:** 112 ▼ **MILK:** 28

This beautifully designed General daughter stems from one of the foundation members of the Lynden Manor program, Elmaretta 4476. Hailing from the performance based Thomas Angus Ranch operation, 4476 hails from one of the top producing families ever developed in the herd. Combining her with the General bull who has done so much for the LLB program in Alberta, this mating will make a cow family. 41K's mating to the \$600,000 Montana record setting sire will promise a calf that will come easy and then take off. **AI bred to Basin Jameson 1076 on June 7.**
CONSIGNED BY LYNDEN MANOR FARM

This heifer comes from one of our most influential cow families. She has several maternal sisters in production both in our herd and others, as well as a maternal brother who we retained to service our heifers and has since sold to a commercial operation. Her dam, 302C is arguably one of the most productive cows in our herd. We can't say enough good about this calf. While the cow family is strong, SCOMAC Bess 302L is a standout based on her own merits. She is long spined, with plenty of muscle shape and bone and lots of Angus character about her skull. A truly maternal looking female with power to boot! She is a 3/4 sibling to Lot 21!

- ▼ **BW:** 1.0 ▼ **WW:** 61 ▼ **YW:** 108 ▼ **MILK:** 24

318L stems back to our first ever purchase from Gilchrist Farms: GF Dreamin EXT. She was bred for longevity and was in our herd until the age of 13. SCOMAC Dream 318L has a pedigree combining some of the greatest maternal genetics available. She is out of a two-year-old who has done a great job raising this calf. 318L is stout and strong made. She has abundant body depth and a feminine front end. We think she will be a very productive female and look forward to following how she turns out.

- ▼ **BW:** 2.6 ▼ **WW:** 70 ▼ **YW:** 119 ▼ **MILK:** 27

- All of the cattle we have ever bought from Tambri work
- She is one of the heaviest muscled angus females I have seen
- Deep middled and backed by an outstanding dam

Bred to Whiskey Lane Jukebox 2J on June 16. Due to calve March 24.

CONSIGNED BY GILCHRIST FARMS

DAM

SERVICE SIRE

- When they look this good as a 2yr old you just know you will have a front pasture cow for a long time
 - This is why the MERCEDES cow family was the cornerstone of our program. They make females like this
 - Her granddam was nearly flawless in her design
 - She's broke and capable... ill leave it at that
- AI bred to Cardinal Cash Advance 60F on May 22.
Due to calve February 28.**

TERMS

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH: All animals in the sale have met all necessary health requirements.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

GUARANTEE: Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
