RED ANGUS HERD DISPERSAL

Friday, April 11 2025

Sale Starts at 1:00 PM

Stettler Auction Mart, Stettler Alberta

From the Desk at T Bar C

Proud to host another sale from the LARGEST one iron Angus producer in Canada

We are thrilled to announce an exciting addition to the spring run: the Dispersal of LLB's Red Angus division.

LLB has annually staged Canada's largest one iron Angus bull sale for 39 years and counting, with plans of continuing that same format for the 40th anniversary next year on the second Saturday of March. The Brown family has decided to keep their focus strictly to the Black Angus sector of their herd and what better timing could there for this offering to be put forth to you as we head into grastime.

So please join us for the same hospitality and fellowship the Brown family is famous for at the Stettler Auction Mart.

Please note, the Black Angus cattle operations at LLB remain unchanged, and we look forward to continuing the legacy of the 39 bull sales hosted annually at the ranch, north of Erskine.

Hope to you see you on April 11th!

LOT 64, RED DURALTA ROCK STAR 38J

TERMS...

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements made from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES...

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH...

All animals in the sale have met all necessary health requirements.

GUARANTEE...

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PHONE, MAIL & WIRE BIDS...

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

ERRORS...

All announcements at sale time, written or oral, supersede any written material in the catalogue.

LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

INSURANCE...

It is strongly recommended you insure your bulls after the sale. Insurance representatives will be present sale day.

Thank You

for all your continued support

Our customers are friends around these parts, and we can't thank you enough for your continued support of the LLB Angus program and all it has come to stand for.
