REBEL CREEK
ANGUS
BULL SALE

GET READY FOR OUR *Live* AUCTION
BOW SLOPE, BROOKS, AB

APRIL 8TH, 2025 2PM

WELCOME

Welcome to our 11th annual bull sale!

We are coming back to Bow Slope Shipping in Brooks for this sale this year, and we're bringing some of our top end open commercial heifers as well. This offers all of you an excellent opportunity to dive into some of the best genetics Red Angus has to offer.

The bulls did quite well on their mothers this year with some stunning weaning weights, and on a light grain diet have gained really well on feed this winter. The size and shape of this fleet of bulls is impressive, and knowing the conditions these animals did it in is an opportunity for anyone in the hardgrass region.

We have quite a few sons of our herd sire RED NCJ ROCKEFELLER 22'15L, and we are excited about what these bulls have to offer you. Our home raised sire, RED REBEL CREEK KICKSTART 37K is an industry leader, his first few sons and daughters are amongst the best we have ever raised, so take a good look at these sons when you get a chance. We have also used a couple new black angus sires Cudlobe Comet 91J and LVF Tanker 14F, and their sons offer some of the freshest and best genetics in the industry.

What hasn't changed is our commitment to offering the best set of bulls we can, we care about the quality of the cow herd and their ability to be a fit for our environment and have the ability to produce profitable progeny down the line. Our commitment to offer the most complete information package for every bull remains unrivaled.

We hope you will join us on for our return to Bow Slope and we'll see you there!

Sincerely,

The Rooke Family

Calvin, Catherine, Abby, Evan, Evelyn, & Charlotte
