From all of us at South View Ranch, we would like to welcome you to the ranch on Thursday, April 3rd for the 25th edition of our red and black angus bull sale. 25 years have come and gone in the blink of an eye, many things have changed over the past 25 years, although our commitment to the angus breed has remained the same.

Over the past couple of years we have seen the cattle market climb to all time highs. It has been a great thing to witness and be a part of. It is about time everyone in the livestock industry is being recognized for their time and hard work, with hopes prices stay strong for years to come.

Our bulls are developed on a high roughage TMR ration with consultation from Bullseye Feeds. Our goal is to provide sound breeding bulls ready to to work and last for many years. We are impressed with the set of bulls we have put together for your appraisal to celebrate 25 years of on ranch bull sales. The bulls we have on offer are structurally correct, sound, free moving, with good dispositions.

If we can assist you in any way or help you decide on your bull purchase please don't hesitate to call! You are welcome to come tour through the bull pen anytime. We look forward to having a visit. Thank you to all our repeat customers that believe in and support our program year after year.

The Kaufmanns

from the desk at T Bar C

Plan to be with us for a very special day, Thursday, April 3, 2025, at the South View Ranch headquarters, Ceylon, Saskatchewan. This day is special as the Kaufman families present an awesome selection of Angus, red and black, to celebrate their 25th annual bull sale. In this anniversary year, the quality and uniformity of the offering has exceeded expectations... if are looking for bulls that will add performance and added value at weaning, the selection is genetically diverse, and suitable for all types of programs and budgets.

South View Ranch is a strong multi-generational family operation with a very large and predictable cow herd base. It is this base and their very large sire battery, that is responsible for this great lineup of herd bull prospects. Everyone has their chores and duties... although the family takes their vacation in November... a week at Agribition... and what a great week last fall was as the SVR gang showed their competitive nature capturing Reserve Grand Champion Female and several divisional titles... individuals that are features sale day.

At this 25th anniversary, you will have the opportunity to purchase the exciting "Panorama", the calf at foot of the 9-year-old Agribition Reserve Champion female... one of the most intriguing and powerful bulls to be offered this spring in Canada. In addition to the features list there is also "Covenant", a power bull who was the Agribition Reserve Junior Bull Calf Champion.

Breeders and ranchers, we urge you to put SVR and April 3rd on your herd bull shopping list. Feel free to stop by the ranch and preview the bulls prior to the sale and view the mothers and their sires.

We, at T Bar C, are very familiar with this breeding operation and if we may be of any assistance prior to or sale day, do not hesitate to call any of our team and we will be pleased to assist in a professional and confidential manner.

the **SVR** *standard*

Cattle ranching isn't just our business—it's in our blood. With deep roots in the industry, Keith grew up on this very land before taking the reins and building what is now known as South View Ranch. Today, we proudly run 250 Red and 250 registered angus females, carefully selecting for eye appeal, structural soundness, and exceptional maternal traits, all backed by solid performance. Our mission is simple: to raise the kind of cattle that not only stand out in the pasture but also deliver profitability and long-term success for our valued customers.

Judo 56J is moderate framed, dark red, hairy, stout made bull. He is full of muscle and is very much calving ease. His calves are stamped the same hair, muscle, and calving ease that are extremely easy fleshing. His daughters are very consistent with strong maternal instincts and good udders. We are very pleased with the production of his daughters thus far. Judo himself stands on perfect or as close to perfect of a foot you will find.

Red LWNBRG Elimination 84J is a good-looking bull that always catches your eye. He adds growth and hair while still keeping calving ease in mind. He has tons of frame and shape. His calves come at a moderate birth weight with vigor, get up, suck, and grow. We are extremely pleased with the daughters off of Elimination that we have calved out. They have square udders and are very milky his daughters are some of our favourite first calf heifers. A unique sire with SAV Bismark, Predominate, and Rito 707 in his pedigree.

Momentum is a bull we purchased from Duralta Farms. He is sired by SVR Tornado 167C, he was one of the best red bulls we have raised and backed by a very strong cow who had near perfect udder and foot quality. Momentums dam is a model cow with a ton of power. Momentum is extremely wide based with a ton of depth and rib shape. He is dark red and black footed. His daughters have nailed it during production, they are easy fleshing, super uddered and highly maternal. His sons are proving to be some of the most consistent selling bulls. Dark color with lots of style and frame.

Clash is noted for his exceptional breeding ability, muscle, bone, testicle development, foot quality, and performance. We bought a semen package on Clash to add all of these traits and he did just that. We are extremely pleased with his sons thus far. They are big bodied, have adequate muscle and are easy fleshing. They have plenty of jam while still maintaining a fancy look and have plenty of style. The replacement heifers we have in the pen are built the same, lots of muscle and shape with a good look. We are excited to see the future they have here at SVR.

Sterling is a bull we decided to AI some cows to and we are sure glad we did. He has an excellent phenotype and an impressive set of performance EPDs. Sterling sires cattle that are phenotypically correct, cattle with great foot quality, good scrotals and the genetics for great udder quality. Although there are not many sons in the offering the ones we do have are sure high in quality.

Flat Top 151J is a bull that as a yearling already had tremendous herd bull character. Very long bodied, big topped, deep ribbed, easy fleshing and had excellent feet. Flat Top is big scrotalled with calving ease. We have used him on first calve heifers for three breeding seasons and his calves are moderate at birth with good vigor and excellent performance. We have now calved out some of his daughters and are pleased with their production. They have square udders and great motherly instincts.

CE: ★

Panorama 4M is quite possibly the best bull to own the SVR prefix and call Ceylon home. He is simply impressive from every angle you study him at. Stands on a big square foot at the ground. Panorama is big boned, has a big scrotal and incredibly stout with the ideal dark red color. You would be hard pressed to find a red angus bull in all the land that is stouter, bigger hiped with as much muscle and top as this one. This bull is full of red meat and muscle while still being eye appealing, nice headed, with a sound structured package. Panorama was exhibited this fall alongside his incredible 9-year-old dam 170D - a cow that just never misses. They were Champion Senior Female at FarmFair in Edmonton, and they were Reserve Champion Female at Agribition. Out of all the cattle we have shown over the years, whether it be recently or back when Shane was getting it done, he would quite easily be the most talked about one we have drug down the road. Panorama is a bull that would take anyone's program to the next level. With a moderate 84-pound birth weight and a 205-day weight of 994 and an actual yearling weight of 1390. An incredible bull backed by an impressive cow, don't want to miss out on this one he is the real deal.

Retaining 1/3 Semen Interest.

extra shot of performance

83M

CE: ★★

Seneca 83M is a hairy, attractive looking bull with some sweep to his rib, a square hip design, with an up headed, proud look to his front end. A bull that should leave you some good, easy fleshing, good uddered, hairy females that are extremely fertile. Being that he is a March 18 born bull, and his dam has jumped right up to calving January 24th this year.

85M

CE: ★★★

Same type of deal as his brother right before him in catalog order. Soft ribbed, good hiped with a proud look. A good combination of calving ease and performance, good for heifers or cows. His dam is a good dark red, Continental daughter that is good in production.

This could be the best Momentum son, born here to date. He is a proud and up headed bull that is phenotypically correct. He's dark red, and hairy. 164M is a deep ribbed, easy fleshing, and stout made. He's the rancher's kind and just a young April 11th born bull. His dam 186F is a tanky, good uddered, easy fleshing cow that's long, with a huge rib. His granddam 121D is one of the most enjoyable cows to look at around here. With the Momentum daughters as good as they are and the cows on the bottom side as good as they are, you are sure to be left a great set of daughters.

Rush is a stout made, tank that's square hipped, and sharp looking, he walks around up headed and attractive looking. This is a studly, young bull that's one of the favourites in the offering. His dam has a good udder, with a long body. She's a maternal sister to lot 102M's dam and a maternal sister to 168M's dam. Grand dam 33Y was the ideal cow, huge bodied, perfect uddered, great looking cow, who was a CAA elite dam.

CE: ★★

This is a long spined, good looking Portrayal son. Moderate birth weight, with plenty of performance. His dam is a good Hoss daughter off of the old productive machine 394Y.

429M

CE: ★★ ★

A bull that's long, smooth, good looking, with some growth and calving ease, and a good coat of hair. Just a good, solid April born bull. His dam is the ideal angus cow, from every angle. She is feminine, super uddered, big ribbed, and sharp to look at. His Grand Dam 322Z was one of the best-looking cows to walk the pastures here to this day. You will want to keep all the heifers from this guy.

Here's the youngest black bull in the offering. He is just a May 4th baby, with plenty of calving ease. Here's a good young bull for the heifer pasture.

466M

terms & conditions

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS: Each purebred animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: All sellers and buyers of Angus cattle in this sale are expected to be knowledgeable of and to abide by the Guidelines for Seller and Buyer Expectations and the By-laws of the Canadian Angus Association. These documents are available from the Association's office.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold. Buyers are responsible for all costs involved with shipping of semen and embryos.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.

IN-HERD SEMEN: Consigners reserves the right to draw any semen on any of their sale offerings for in-herd use only. This will be at our expense and drawn in the off season.
