THE DUDGEON FAMILY

BRIAN, KIM, OWEN, GRACE, AND SADIE DUDGEON

The entire Dudgeon family of Dudgeon Cattle Co. are well known cattle producers that reside just outside Dobbinton, ON in the centre of Bruce County. Their reputation for marketing quality breeding stock has been their way of life for decades. Alongside their notable purebred Angus herd, they annually calve over 200 red and black Sim Angus cows as well as background and feed in excess of 2000 head per year. They are very connected in all sectors of the cattle industry, with this being the 10th year of the Annual Top Cut Bred Female Sale. They welcome you to visit anytime prior to the sale at the farm to view the cattle. Each year they strive to offer the best possible product to the industry. Contact Brian or Owen anytime and they will assist you in any way possible.

BRIAN: 519-270-2500 **OWEN:** 519-270-2149

THE TOP CUT

ADVANTAGE

It takes a tremendous amount of discipline, knowledge, and passion for the livestock industry to be a consistent producer of bred heifers that offer calving ease, raise a calf, and then come back in the fall bred back and in good shape. Rest assured that the consignors of this sale all have that same mentality and production record to back it up.

THE TOP CUT OFFERS:

- 1. DOCILE** These cattle are quiet and used to being handled.
- 2. BRED TO CALVE** All the bulls used have a proven track record, not randomly selected out of a pen.
- 3. MATERNAL** Buy bred cattle from people who calve their own cows. The problem cattle have been sorted off, with only the best making the cut. Absolutely no one enjoys extra work.
- 4. VIDEOS** The Thursday before the sale we will video every pen on offer. Check them out on DLMS under the Top Cut page.
- 5. FAMILIARITY** Buying is made easy, as between all of the consignors and the sale staff, all are very familiar with the cattle. Rest assured that all your questions will be answered accurately. We are happy to represent you and get the heifers that best suit your budget and needs.
- 6. LIVE BROADCAST** The sale is broadcasted on DLMS with online bidding available if you are unable to make it to the sale. Please contact any of us regarding trucking and we will assist you in getting your purchases to you.

BLACK AND BLACK WHITE FACE

DUDGEON CATTLE CO.

50 Solid Black Sim-Angus and 50 Black White Face Sim Angus
All bred to calving ease Black Angus bulls

One of the most popular sections of last years sale, this group of heifers will be suited up by size, shape, and calving dates. Checked safe to start calving end of January to February with some designated for March. These are the kind that make mommas that produce, we love that shot of black Sim to add performance without sacrificing ease of calving.

A past Top Cut high seller purchased by North Huron Farms that sold this past Spring as a 4-year-Old

DUDGEON CATTLE CO.

40 Solid Red Sim-Angus and 60 Red White Face Sim Angus
All bred to calving ease Red Angus bulls from LLB

Bred for the long haul, this is a deep set of reds. Colour coded so you'll have red calves, there are so many options to breed these gals after their first calf. Just like the black offering, they will start calving end of January/February with some held for March. Docile, developing great udders with soundness bred in, we are proud of this pen. Be sure to check them out!

RED AND RED WHITE FACE

HADDIE SIMMENTALS

HADDIE SIMMENTALS

Brandon Ernest and Ashley Fairminer 519-881-9911

25 Red and Red White Face Simmental and Sim Angus Bred Heifers

All bred red Simmental

THESE HEIFERS SELL!

THE HADDIE SIMMENTAL SERVICE SIRES

Brandon and Ashley have a ripping set of cows and offer this great set of bred from the top of their herd. Calving early with all the homework done. Don't be afraid to get in touch with either of them and check out the videos on DLMS prior to the sale. 75% of these are safe to the AI on the calving ease sire Affinity, and followed up on the next cycle to their super heifer bull from Wheatland (both pictured.)

DUDGEON CATTLE CO.

25 straight Char and Char X Sim Heifers
All bred to calving ease Red Angus bulls, calving early

MIKE DEWEERD

8 straight Full French Char Heifers bred Charolais
2 Char X Red Angus bred Charolais
Calving March/April

Every year it gets harder and harder to find good Charolais and Char influence females. But boy do we have a set this year. Both sets of Dudgeon's and Deweerd's are quiet, hairy, big topped, and ready to raise sale topping calves. There are lots of calving period options here, and we encourage you to evaluate this strong set

CHAROLAIS & CHAR X BRED HEIFERS

PETTYWOOD CATTLE

Steve Bannister 519-619-9904

12 strong Black and Black White Face early calving heifers that are big framed and bred to calving ease Black Angus bulls. Also 3 Red White Face Sim Angus heifers you'll find easily.

Note: great customer success with these heifers due in January
