ANNUAL BULL SALE

MARCH 20/25

AT THE FARM » BIENFAIT, SK » 1:00 PM

Welcome FROM
WHEATLAND CATTLE CO.

It's with great pleasure and excitement to welcome you to our family's 21st annual bull sale. It's hard to believe how fast time goes and we are back to bull sale season. No matter how long the days or hardwork farmers and ranchers put in we have sure enjoyed the journey and the friendships built along the way. Friends, family and customers THANK YOU! Without your support and dedication to our program none of this would have ever been possible.

Within the past year the cattle market has reached record breaking prices and hats off to everyone who has stuck it out and put in the time. Everyone definitely deserves it. I truly think these prices will be good for a long time. The numbers across North America are sitting at an all time low and there is no signs of the rebuilding phase beginning. It's the perfect time to surround yourself with good people, utilize the best gentices you can find and capitalize on supplying the safest and healthiest protein available world wide.

We are a family run operation that takes great pride in what we do around the ranch each and everyday. It's because of our customers and support team that has allowed our program to reach milestones over the last 35 years. Our program has never shifted with fads or flavours over the years. We have always listened to what the commercial cattleman asks for. Cattle that have modest birth weights, offer performance, structural correctness and eye appealing to look at. Keeping these traits in mind we feel our product can work in many different environments and sectors of the industry.

Over the last 4 decades we have worked relentless to build the best possible cowherd we can. Starting at the surface with good feet, udders, fertility and fleshing ability. Combined this with a good disposition and cattle that are easy to handle you should have a cow that lasts a very long time. When you flip through the catalogue I hope you can appreciate the generations of the 'LER' prefix that have been bred into this cattle. We believe in these cattle and what they have done for us. Our entire living is based upon our cows. When buying a bull from Wheatland your not just buying a bull put your buying apart of the program and the cows behind the bulls.

2024 also was a memorable year showing cattle. Wheatland Lady 211H and Wheatland Bull 4177M were crowned Grand Champion Simmental Female at Agribition and went on to be declared the Supreme Champion female across all breeds. Definitely a moment we will cherish and remember. The National Champion Angus bull at FarmFair was also a bull that was bred and raised in Bienfait MICH Wheatland Coalfileds 2177K that was a past sale highlight.

This group of bulls for 2025 is loaded from front to back. A lot of diversity and different types to choose from. This will also be our largest offering to date. Some new exciting sire groups on offer that can only be found at Wheatland will also bring some new flavour. Whether you are looking for Simmental, Angus or percentage bulls we have something for everyone in different budgets. The bulls have been developed in large paddocks where they get lots of exercise. We like athletic bulls that are ready to cover ground and breed cows. The bulls have been devopled on brown oats, corn and beet pulp along with free choice chopped hay. We try to develop them the best we possibly can. We know buying a bull is a big investment and we want them to work. I know over the years sometimes the average seems kind of high but we have sold ALOT of bulls from \$6500-\$9,000.

As we conclude the welcome its been gratifying to watch the success of Wheatland gentices in breeding programs across the country, AI studs and cow shows BUT MOST IMPORTANTLY THEY HAVE WORKED WELL AND EXCELLED FOR THE COMMERCIAL COWMAN WHO PROVIDES THE BEST TESTING GROUND FOR ANY OPERATION.

Please take this as your personal invitation to join us on March 20th at the ranch. We take great pride in being your genetic supplier. If you can't make it to the sale, please feel free to come prior to look at the bulls. We always enjoy talking about cows and getting to know your operation. Wether you want to come for coffee, catch up on a visit or study the bulls, plan to be with us on March 20th. Call or text us with any questions. We look forward to hosting everyone.

*From everyone at Wheatland,
Vernon & Denise, Riley & Maddy, Cody-Ray & Shayne*

Coming from Estevan:

Take Highway 39 South East of Estevan for 13 miles. Come to the bottom of the valley, just before the train tracks take a left on Township Road 15. Go 3.5 miles East. We are on the left hand side of the road.

Welcome FROM T BAR C CATTLE CO. LTD.

From the desk at T Bar C...

Welcome to Wheatland Cattle Co., Canada's leading Simmental seedstock supplier. We would like to invite livestock enthusiasts from across North America to be with us for another chapter of Wheatland history. I recall the early beginnings of this sale and I'm proud to have been a part of their team since those early years in Alameda twenty-one years ago. Every year we have watched the Wheatland program grow and flourish. From day one, their goal was to produce and market quality bulls for the commercial sector; the purebred market was a bonus... wow what a bonus. Over the past two decades, Wheatland has been the source.

In building their dominant program, they have concentrated on developing a predictable cow herd and it is totally responsible for the powerful offering, uniform in type and kind and consistent in cowboy principles. One should visit the coal hill pastures at Beinfait in the summer months to truly appreciate the quality of the cow herd... Wheatland captured the Supreme Champion Female just last fall... as you survey their cow herd you will find many that would qualify in that elite category.

The bulls are powerful from start to finish, ideal for all types of operations... bulls that will write their own history in the years to follow.

Plan to be with us on March 20th and find a sire that will change the direction of your breeding program... be a part of Wheatland history.

We at T Bar C are very familiar with this great herd and if we may be of any assistance prior to, or sale day, do not hesitate to call any of our team and we will be pleased to assist in a professional and confidential manner.

Welcome **FROM BOHRSON MARKETING**

Welcome to the Wheatland Cattle Co 21st Annual Bull Sale located at their picturesque ranch at Bienfait, SK, close to the American border crossing. The Wheatland program has been passionately breeding elite purebred cattle for multiple decades and go the extra mile to acquire the best genetics in the business. This extremely hard working family is very talented and have the ability to annually produce some of the very top Simmental and Angus cattle through their knowledge, passion and desire to elevate the quality year after year.

Since seeing the Wheatland cattle for the first time a couple decades ago, they have always had a certain “type” and have always stamped their cattle with uniformity. This pen of bulls is just that and impressive in their kind that is awesome haired, stout made, soft middled, powerfully designed with calving ease and maternal in mind. The Wheatland cow herd is built on cows that flat out produce as they emphasize production value through good feet, strong udder and cows that can do it under all conditions in order to raise a valuable calf. With them retaining females throughout their lifetime, it is an impressive herd of cows backing this set of bulls.

The Simmental line-up is stacked with a blend of calving ease and power bulls in both the black and red sections. Highlighting the black side will be the calf off the 2024 Supreme Champion Female at CWA who had a lot of admirers last fall after their huge achievement. The red bulls offer a different twist on pedigrees as well for the Simmental industry with a lot of calving ease bulls that push the scale down. The Angus division is powerful set with some go to them and have style, power and shape to them. Don't overlook the strong set of commercial replacements offered by their good friends at Diamond S Ranch that showcase the strength in using Wheatland bulls.

Decades of breeding for their type of cattle has made the 21st Sale one loaded with consistency and quality. We encourage you to reach out to the Wheatland crew to talk about the bulls and view the cows as we are confident there is something for everyone in this offering. If you can't make it sale day, feel free to contact any of them or ourselves at BMS and we would be happy to assist you with your purchases in a professional manner. We look forward to visiting with you more on sale day in Beinfait!

Best regards,
The Bohrson Marketing Team

Wheatland **HERD HEALTH**

Our team at BoviGen is proud to be working with Wheatland Cattle Co. over the past few years. During that time, we have seen their genetics be used extensively throughout many other high quality seedstock operations and commercial cow-calf operations. Their reputation for superior genetics, coupled with high quality customer service speaks for itself.

We visit the Wheatland Cattle Co ranch several times throughout the year to ensure the health status of all animals in the operation. We have worked closely to design a customized vaccine and deworming strategy for each class of cattle based on the conditions, ensuring the cattle perform as expected when reaching your ranch. All breeding females are on a Zoetis health program ensuring optimal protection from BVD PI calves and ensuring high rates of passive transfer of immunity to calves. From birth to weaning all bulls are provided with a vaccine strategy that ensures these cattle are ready to face any disease challenge that comes their way.

Proper nutrition, high health status, and a lifetime of genetic selection has lead to highly fertile cattle. It is a pleasure working with donor cattle, and bulls that just plain produce. We routinely test Wheatland herd bulls at ranches in the surrounding area that are well into breeding careers. Fertile animals with sound structure results in tremendous longevity and functionality.

BoviGen is a large animal reproductive center based out of Moose Jaw, SK. Our Practice offers a comprehensive list of advanced reproductive services including In Vitro Fertilization, Conventional Donor flushing, Embryo transfer, and Owners Use semen collection. We are a CFIA approved laboratory for embryo export and provide a recipient herd for our clients. Our mobile lab is fully certified to perform all services on farm.

Dr. Tyson Buyer, DVM, B. Sc

Why A WHEATLAND BULL?

- 1 CUSTOMER SERVICE:** *We take great pride in getting to know our customers and touring their operations to see what works for them. If there is ever a problem you call us and we take care of the problem. We don't just call a week before the sale trying to sell you another bull we keep in contact throughout the year and have an invested interest in making sure the bulls are working for you.*
- 2 SIGHT UNSEEN PURCHASE PROGRAM:** *We understand everyone has a busy schedule and can't always make it. Call Riley or Vernon to talk about the bulls and its 100% buyers satisfaction upon arrival.*
- 3 COW FAMILIES:** *We are one of the few purebred herds in the land that hasn't sold any top quality females. We have kept these females to ensure our bulls are packed with maternal greatness. We are proud of our cowherd and have paid attention to detail. Udders, feet, fleshing ability and disposition along with fertility are the basics our cowherd was selected around. We believe in using a lot of our breeding to ensure uniformity and it also allows us to offer a lot of 1/2 and 3/4 brothers for our customers.*
- 4 QUALITY:** *Our motto has always been quality over quantity. We take pride in producing the best cattle we can. That's not to say every bull looks alike and that's ok because we have different customers that select for different traits so we have to have something for everyone! However feet, scrotal size and disposition are something we always select for. These bulls are backed by real world cows that work.*
- 5 PAYMENT PLAN:** *You call us and let us know what works for you and we arrange a plan that works for everyone. This program has become very popular for good reason. Call for details.*
- 6 VOLUME DISCOUNTS:** *We appreciate and recognize when some of our customers buy in volume. Your support certainly doesn't go unnoticed. 2 bulls 3% discount - 3 bulls 4% discount - 4 bulls 5% discount.*
- 7 REPEAT CUSTOMER INCENTIVE:** *We sell over 70% of our bulls to repeat customers. We appreciate the continued support throughout the years and that's why we offer a repeat incentive. 2% discount on your 2023 sale purchase if you purchase in 2024.*
- 8 BULL WINTERING PROGRAM:** *You can leave your bull at the ranch after the sale free of charge, however he must be fully insured.*
- 9 FREE DELIVERY:** *We try to accommodate everyone and get as close as we can. Sometimes you might have to meet us depending on this distance but we try getting them very close to your location or right into your yard!*
- 10 IT'S OUR LIVING:** *This is how we make a living, we take it very serious and do the best job we possibly can. When you deal with Wheatland you deal with the family that calved them, bred them and done everything from start to finish.*

Black Simmental

BULLS LOTS 1-47

PAW JUAN PABLO 121J

A high seller purchased from Southpaw Cattle Company sired by the legend Cobra. This will be his second set of sons to sell. They were very well received in last year's sale. He was shown successfully in the Top 10 at the CN beef supreme and also Champion Simmental Bull at Farmfair International. His sons are powerful and correct with great haircoats. We are calving his first daughters and are thrilled with the results.

WHEATLAND STRONG N FREE 231K

Our high seller in our 2023 sale selling to ZWT Angus Ranch in Tennessee. This will be his first calf crop and we are pleased with the calving ease and phenotype they represent. His donor dam 0182 is a powerhouse female we are building around.

WC RIGHT NOW 1198J

Purchased from Werning Cattle in South Dakota. This good looking, sound built son of Right Now is sure impressive. His combination of growth and calving ease is incredible. Right Now is backed by some of the best cows in the breed including the legendary 8543. You will love his sons in the flesh and they sure read right on paper. His first daughters in production are stunning.

WHEATLAND DIMENSIONAL 1147J

A past sale feature and National Champion that sold to the good folks at JP Cattle Company. This bull sires frame, length and huge bodied cattle that offer explosive performance. Just wait until you see his daughters in production. They don't make them any better. Dimensional gains popularity by the day. Be sure to own one of his sons.

WHEATLAND MADE AT WAR 167J

A powerfully constructed son of Man O War that sires cattle with extra performance and substance. His first daughters in production are powerful females with very nice udders. You will notice his sons in the sale have extra hair, muscle and top.

WHEATLAND ROYAL FORTUNE 2151K

A past sale highlight that sold to East Point Cattle Corp. Royal Fortune is awesome haired, big nuttred and very attractive. His mother 92H is a donor cow that would also be the dam of the high selling bull in last year's sale. We are very excited about this bull's future and what he can do. His grandmother 608 is also a donor dam. Power in the blood!

- This is a big, stout beef bull here that will hit the scales heavy
- Sired by the champion Juan Pablo we sure like what he's been doing for us
- 4164 is rugged built, big bodied and powerful from every angle
- With the influence of Terminator and Fusion on the bottom the udders will be incredible and you will want to keep every daughter
- Over 850 pounds on weaning day, all the math reads right on this powerhouse
- Big nutted bull that will leave a heavy weight set of steers that will definitely be in hot demand
- **HOMO POLLED - HETERO BLACK**

MATERNAL BROTHER TO SIRE

- Without question a special individual that's created a lot of excitement since last fall being showcased with his mother 211
- This powerful February born herdsire is absolutely overwhelming in terms of shape, body and presence
- Great headed, proud fronted and carries himself so well at the ground with a big square foot and tons of substance
- One of the best haired and biggest nuttied individuals in the entire offering
- He was showcased alongside his mother at Agribition where they were declared the 2024 Agribition Simmental Grand Champion Female and went onto win the prestigious CN Beef Supreme Challenge
- His mother 211 is breathtaking, beautiful feminine fronted, big bodied and powerful with one of the best udders you will find anywhere in the country
- The bottom side of his pedigree is loaded with our greatest cow families including 921W a past Agribition Champion Female who produced numerous bulls over the years, 742T another donor dam who is a direct daughter of 902J
- We sold 6 embryos on 211 in Embryos on Snow held in Denver this past January where they topped the Simmental division selling to ZWT Ranch and South Paw Cattle Company
- 4177 is sired by a past sale highlight Royal Fortune who's mother 92H would be the mother to the high selling bull in our 2024 sale
- This homo polled, hetero black herdsire is the kind that can propel any operation in the country and with his mother being one of the very best cows ever produced in the program we have full confidence in his ability to make a lasting impact
- One of the very best to carry the tattoo, this bull has been special at every stage of his life and we are excited for his future in the business
- HOMO POLLED - HETERO BLACK**
- OWNED WITH MICHELSON LAND & CATTLE AND G2 CATTLE**

BULLS LOTS 48-76

WHEATLAND REVOLUTION 2194K

A past sale highlight selling to Longview Cattle Company and Larry Hefner. His first sons look great. They are modest at birth and are stamped with such a look. They also have awesome hair and muscle shape. This sire group is stamped and loaded with lots of options. He has bred true and very consistent. His mother is 7002 who is also the mother of Monument. Power in the blood!

WHEATLAND GENERATION 2115K

One of our favorite red bulls we have produced that sold to Hale Ranch in Texas. He combines some of our very best cow families and production records. We were lucky we got to sample with him through AI and sure pleased we did. Buy his sons with confidence. Keep every single daughter because they will be the kind to build around.

WHEATLAND NEXT CENTURY 43H

Perhaps one of our greatest breeding achievements to date and a bull that has consistently made the right kind. Dark red, powerful, sound and eye appealing. His mother 123Y is still in production and just calved last week and had a beautiful red heifer calf. His sons have now started to play a big role in our breeding program. If you get a chance to buy a direct son of Next Century go ahead and get it done because they flat get it done!

KWA WESTERN 52K

Our pick out of the KWA 2023 bull sale for his dark red color, foot quality and overall completeness. He bred all of our red heifers with great success and sure pleased with the way they grew. His pedigree is stacked with great cows including 14X. His sons offer calving ease and maternal traits.

JLA BOSS MAN 71G SIRE OF RED BOSS 393K

GTA RED BOSS 393K

Purchased from our good friends at Lazy S Ranch in 2023. This will be Red Bosses first calf crop. His sons offer great foot quality, super disposition and added length of body. He offers outcross genetics and is backed by some of the best cow families at Lazy S. You will like what his sons have to offer.

Customer TESTIMONIAL *RJS LAND & CATTLE*

We purchased our first Wheatland bull last spring. Not being able to attend the sale because of calving, we trusted Riley's word on this bull and couldn't be happier with our first crop of calves. If you are in the market, I strongly recommend getting in touch!

- Very interesting set of flush brothers here that stem from one of our vest best old donor cows 72X
- Anybody who has seen this 15 year old cow appreciates her foot quality and udder
- She's been a staple to the program and the influence this cow has had in our program is unparalleled
- All these brothers are very attractive and offer great presence and muscle shape
- Take your pick on the red baldies or solid reds these brothers have a lot to offer
- We really like our Revolution offspring and the phenotype they present
- Guess work is done here, this pedigree is stacked with generations of prolific cow families and very influential cow families
- This could be one of the last chances to get ahold of a direct 72X son
- We don't know how we would rank these brothers and they are all very similar so we thought one footnote would tell the story

- SALE FEATURE , striking, proud and balanced best describes this awesome haired son of Revolution
- We plan on utilizing this bull in our program, we think he is heifer approved
- His mother is a beautiful KillSwitch female with a perfect udder and tons of volume
- KillSwitch daughters are leaving a big mark in the business
- 910 also had a bull in last years sale
- Flexible on the move and athletic in his look, he combines that with shape and body
- 4196 is complete and balanced in every aspect and has the cow power to back him up, this bull could be a game changer in the heifer pen with the white face
- **HOMO POLLED - NON DILUTOR**

- If cow families and production records mean something to you study 4234 he's truly loaded with cow power
- Bigtime herd bull candidate here, awesome feet, big bodied and square built
- His mother 81X is the last direct 902J daughter we have, 81X would be the mother to Circuit Breaker, the grandmother to High Voltage plus many other bulls that have been in the sale
- The 81X daughters we have milking are absolutely beautiful, great feet and the kind that last forever
- 81X is still going strong, currently being flushed
- His sire Generation was a past high seller going to Hale Ranch in Texas, his cow family is driven by the influence of 580C and 72X two of the greatest red cows on the ranch
- The kind of bull that can build a program, I don't think we have sold a red bull with this many good cows in the pedigree
- **HOMO POLLED - NON DILUTOR**

WHEATLAND ZZ TOP 318L
SON OF MATERNAL SIB OF LOT 72 & 73

- Dark blood red, smooth and very attractive
- He would be a full E.T brother to 4234
- Really good footed, big nutted and super complete
- Again he is equipped with the cow power and bloodlines to build a program
- These flush brothers are a little bit younger in age but definitely don't take a back seat in terms of quality
- Not very often can you buy bulls out of 15 year old cows that are still in production
- Power in the blood! You can't go wrong with either of these brothers
- **HOMO POLLED - NON DILUTOR**

REFERENCE SIREs

MICH WHEATLAND COALFIELDS 2177K

A past sale highlight that sold to Malchuk Farms. He's without a doubt one of the most impressive Angus bulls we have seen. His muscle shape, power and foot quality is spot on and hard to replicate. We decided to show him as a mature bull and he was crowned National Champion Angus Bull at Farmfair International and was a member of the top 5 in the Alberta Supreme. We have enjoyed watching his sons and daughters excel and will be a big part of our angus program moving forward.

ELLINGSON BADLANDS

Ellingson Badlands has been used with great success all over the country as a calving ease prospect with added phenotype. We actually got the chance to see Badlands at stud and were very impressed with this structure and phenotype. He's backed by some of the very best angus cow families at Ellingson Angus. Look for his sons to inject calving ease and great maternal attributes.

PEAK DOT TOPSOIL 355G

Perhaps the stoutest, best footed angus bull we have ever laid eyes on. My father in law Jay Sibbald phoned me from Garth Cutlers dispersal and said he found an Angus bull that was awesome. We purchased him that day and we are sure glad we did. His Offspring have the muscle shape, boldness and foot quality that is hard to replicate plus they are very docile cattle. LT Marquee took the Angus world by storm this winter and his mother is a Top Soil daughter. Buy with confidence these cattle are old school cool!

CONLEY DS CLEAR CUT 0510

Extremely exciting young Angus herdsire backed by some of the most famous Angus cow families. His offspring have unmatched presence, substance and power. Clear Cut is a son of the famous Conley No Limit backed by the famous Conley Sandy 5104 cow family that has generated huge throughout the U.S and at Conley Cattle Company. His sons bring a different pedigree to the table and are equipped with extra power and muscle shape.

- An absolute stud and sale feature in the Angus pen here; this bull is blessed with quality and balance
- Out of a first calf heifer we showed at Agribition in 2023 who was a class winner
- She definitely earned her keep with this bull being her first calf; this fella is powerful and proud
- Check out the impressive spread from birth to weaning
- 403 is a bull we think is very special, it's hard to make angus cattle with this kind of performance, shape still while being proud and loaded with presence
- You will appreciate his structure and mobility in the ben combined with his awesome haircoat
- The grandmother 5216 has had several bulls in past sales and also has 3 flush brothers in the 2025 offering
- 5216 was the Reserve Grand Champion Female at Angus Junior Nationals in 2017
- His sire Ellingson Badlands was used with great success on heifers and it's difficult to find heifer bulls that still offer this kind of performance
- Options are endless here, let him breed cows, show him or sell semen the sky's the limit with this beef bull

 2094836 2353563

PEAK DOT PANSY 56D MICH WHEAT ANNIE ANGEL 729E

- A powerful, stout made son of TopSoil
- Thick topped, bold ribbed and explosive as you study this guy
- His mother 9124 is a Stunner daughter with udder quality
- If you like Angus bulls with extra muscle shape and body be sure to study these TopSoil sons they are the cowboys type of bulls
- Very docile and easy going, it's pretty hard to ignore this bull in the pen
- They will sire more pounds at weaning

 EA BELLS GIRL 7617 MICH WHEAT LORETTA 65H

- Very complete, well balanced son of Ellingson Badlands here
- Proud fronted, smooth built and big nutted
- You will appreciate this bull's foot quality and structure
- Level topped, masculine in his look and offers plenty of muscle shape
- His mother is a bigger framed Turning Heads daughter that traces back to 530 who was a past National Champion Angus female
- Keep all the daughters of this fella, they will sure be impressive
- Owned by Malchuk Farms

TESTIMONIAL *KAMMERER LIVESTOCK*

"GW" as we call him is an exceptional addition and outcross to our herd. We were beyond pleased when GW arrived at his new home in South Dakota as he is extremely stout, deep sided and big hipped...just a powerhouse bull we couldn't be happier with!!!

Matt, April, Amanda, Jessica, Jake, & Dillon, Kammerer Livestock

MICH WHEATLAND BULL 403M
SON OF MATERNAL SIB

W177

- A powerful individual that has been admired by many viewers
- His picture says it all, you will be hard pressed to find a bull with this much muscle, body and hair
- Very big nutted, great foot shape and absolutely massive from every angle
- These will be the only Clear Cut son's available in Canada to sell presenting a very outcross pedigree
- His mother is the donor dam PVF Missie 5216 who would be the grandmother to 403
- 5216 also had a pair of SAV Net Worth sons in our 2023 bull sale
- 5216 was purchased from Prairie View Farms where she was the 2016 Reserve Grand Champion Female at Junior Nationals
- We think this bull offers so much in terms of making Angus bulls with more substance and power
- We plan on utilizing this bull in our program and look forward to the impact he will have

W251

- Personal favorite here, this bull demands your attention with his striking pose and head carriage
- Great haired, level made and so square hipped with a great back leg assembly
- If somebody wanted to take the time and show a bull down the road this guy has the bells and whistles to run at any level
- If you like cattle with added presence and style be sure to find this fella
- Wide pinned, thick ended and pleasing to look at from any angle
- Again he would be sired by Clear Cut back to the 5216 donor dam
- All these flush brothers are a little bit different but all very unique for different reasons

W63

- Might even be the best haired of the flush brothers
- Bold ribbed, thick topped and long fronted
- This bull strikes a pose and everyone is quick to spot him
- Grab ahold of the outcross genetics here
- Royally bred pedigree that is decorated with champions top and bottom
- Better yet this pedigree is proven with some of the most influential angus females from the Conley and Prairie View Program

Customer TESTIMONIAL *BAR T RANCH*

I purchased my first bull from Wheatland Simmental in 2003. Since then, I have bought over 20 bulls from them. They have consistently prioritized customer satisfaction, whether in collaboration or resolving any minimal issues that have arisen. Additionally, we have partnered on four projects, and they have always been excellent partners.

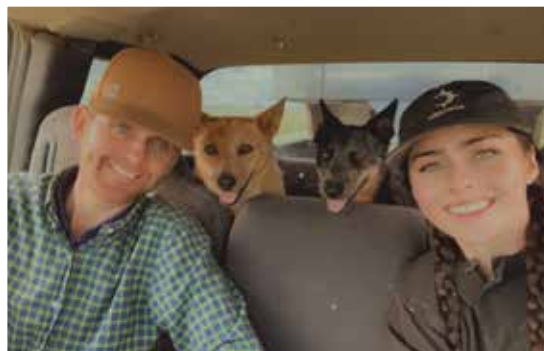

Trevor Walls, Bar T Ranch

Notes

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Simmental Association and the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supercede any written material in the catalogue.

IN-HERD SEMEN: Wheatland Cattle Co. reserve the right to collect on any bull sold through the sale. The semen collection will be at Wheatland's expense and buyer's convenience. Any semen collected will be for in herd use only.
