# WELCOME FROM THE GABERTS

## WELCOME TO OUR PRIME COW DISPERSAL

As we have been breeding Angus for 50 plus years, it's time to slow down. There have been many changes over the last few years, as the decision was a hard one, but a reduction in the herd came to the top. The last few years, we had a vision to offer the prime of our herd to others, so here we are. We have the heart of the herd with the female and functional bulls. We have put lots of thought into character and traits for our herd over the years, and used different genetics to help improve our herd. We offer sound, longevity females that will thrive in multiple environments. As you go through the catalog, you can see the cow families. The bulls have performance and character to pass along.

We really appreciate all of our past customers for showing confidence and interest in our program and always look forward to meeting and doing business with new customers.

Thank you to our family and friends for the assistance in the operation of the farm and continued interest as the next generation steps in more.

Feel free to contact any one of us about the cattle offered or stop by the farm. Hope you see you all at the sale on Nov 14th.

## FROM THE DESK AT T BAR C

Welcome to the Crooked Creek "Prime Cut" Angus Dispersal, Thursday, November 14th at the Stettler Auction Mart, Stettler, Alberta. What an opportunity to take advantage of over half a century in developing a cow herd based on proven, predictable cow families!

The sale featuring years of selection and development of the Crooked Creek herd is an opportunity for all in the livestock industry. Only in a sale of this size can one select from the top of a proven program, taking advantage of years of decision and selection. Over the past five decades, the folks at Crooked Creek have seen the phenotype change but have never overlooked the necessities of the beef cattle business... soundness, milk with muscle, fertility coupled with longevity. A goal that every seedstock producer needs when building cow families.

The genetics of this program are based on proven predictable sires or grandsires... bulls that have made breeding purebreds enjoyable and profitable. With low cow herd numbers in North America and restocking not yet started, there is a green light in the cattle industry and a "Prime Cut" sale is a source to acquire predictable replacements. November 14th is opportunity day!

Feel free to stop by the farm any time prior to the sale and view the cow herd in its natural environment, the Gaberts will be pleased to give you a tour and point out their favorite cow families.

Do not hesitate to ask anyone from the T Bar Team for assistance in selection... we will be pleased to assist in a confidential and professional manner.

## Longevity

When you invest in Crooked Creek genetics, you're securing cattle with exceptional staying power. Our focus on breeding for soundness, fertility, and structural integrity ensures that Crooked Creek animals deliver reliable performance for years. Longevity in your herd translates into lower replacement costs and more consistent production. Crooked Creek females are known to calve year after year, maintaining high levels of fertility and productivity, making them a sustainable asset in any operation.

## Quality

At Crooked Creek, quality is not just a word; it's the foundation of our breeding program. Each animal in our herd is selected for superior growth, carcass traits, and maternal ability. Whether you're looking for bulls that will pass on elite performance traits or females that will raise heavy, healthy calves, Crooked Creek genetics ensure a noticeable boost in quality across the board. When you choose Crooked Creek, you're choosing animals that excel in both the pasture and the sale ring.

## Pedigree

With decades of focused breeding behind every animal, Crooked Creek cattle are backed by a pedigree of excellence. Our program emphasizes proven bloodlines, blending high-performance sires and dams that have stood the test of time. From calving ease to growth rate, the pedigree behind Crooked Creek animals offers a history of success and a future of potential. This depth of breeding ensures that Crooked Creek cattle will continue to add value to your herd for generations to come.

## Selection

Crooked Creek offers a diverse selection of Angus genetics, ensuring that you can find the right animals to fit your specific needs. Whether you're seeking calving ease, muscle development, or maternal traits, our herd has been curated with versatility and performance in mind. Our commitment to providing a range of high-quality options means that, with Crooked Creek, you can select the ideal genetics to meet your breeding goals and elevate your operation.

presenting the  
**FOUNDATION**

**THE COWS OF CROOKED CREEK**

ALL MATURE COWS ARE PARENT VERIFIED

**STARTING**  
off *strong*

Cows are the true pillars of any successful cattle program, forming the foundation for both productivity and profitability. At Crooked Creek Angus, we recognize the vital role that females play in building a herd's strength and longevity. Our breeding philosophy centers on producing cows with exceptional maternal instincts, fertility, and structural soundness, ensuring they consistently raise healthy, high-performing calves year after year. These cows are more than just producers—they are the backbone of our program, responsible for transmitting the traits that define Crooked Creek Angus: quality, durability, and genetic excellence.

By investing in the right cows, you're not just securing the next calf crop, but also setting the course for the future of your entire operation. Crooked Creek Angus is committed to providing females that anchor your herd, ensuring both short-term gains and long-term success.

8J comes highly recommended. She ranks in the top 5% for WW and top 1% for YW. Her sire was a past LLB high seller and mostly importantly, check her service to the valuable Winchester, who comes highly qualified and regarded.

now entering the  
**HEIFER** DIVISION  
PROGRAM PILLARS OF TOMORROW

These young females represent the future of any successful operation, and at Crooked Creek Angus, they embody the strength, genetics, and potential that will drive your herd forward. Carefully selected for their maternal traits, fertility, and structural integrity, these heifers are bred to be the foundation of tomorrow's cow families. Each one holds the promise of producing generations of productive, high-quality offspring, ensuring that the legacy of your program continues to grow.

With the Heifer Division, you're not just investing in young cattle—you're securing the next wave of cornerstone females that will shape the future of your herd.

final stop:

# BULL CENTRAL

DRIVING FORCE BEHIND FUTURE GENERATIONS

## decisions, DECISIONS

A good herd sire is the driving force behind the genetic progress of any cattle operation. Bulls have a significant impact on herd quality, influencing growth rates, fertility, carcass traits, and the overall performance of your calf crop. The right bull can add muscle, balance, and structure to future generations, making the selection of a herdsire one of the most important decisions a producer can make. His genetic influence will be seen in every corner of your program, from the consistency of your herd's phenotype to the profitability of your calves at market.

Investing in a superior herdsire is an investment in the future of your operation. A high-quality bull not only enhances the genetic value of your herd but also ensures that each breeding season produces offspring that meet the demands of today's marketplace. With the right bull, you're setting the stage for long-term productivity and growth, cementing the foundation for years of success.

# T B A R C T E R M S O F S A L E

# TERMS N' CONDITIONS

## **TERMS:**

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## **BIDDING:**

Each animal will sell to the highest bidder... no by-bidding will be permitted.

## **DISPUTES:**

Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

## **ANNOUNCEMENTS:**

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

## **BREEDER'S GUARANTEE:**

As this is a dispersal sale, all cattle sell with no further guarantee. Any known defects will be announced before the cattle are sold.

## **CERTIFICATE OF REGISTRATION:**

Each animal will carry papers issued by the Canadian Angus Association unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## **HEALTH:**

All animals in the sale have met all necessary health requirements, cow herd is on a full herd health program.

## **INSURANCE:**

Will be available sale day. We strongly recommend that insurance is purchased for full value.

## **LIABILITIES:**

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. T Bar C Cattle Co. (2013) Ltd. does not assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## **RIGHTS & OBLIGATIONS:**

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

## **PHONE, WIRE, MAIL BIDS:**

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

## **DELIVERY:**

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

## **ERRORS:**

All announcements at sale time, written or oral, supersede any written material in the catalogue.
