30th Annual
BULL SALE

Monday
April 7th
2025

Justamere Headquarters Lloydminster, SK

welcome to the 30th annual bull sale

Welcome to our 30th Annual Angus Bull Sale at Justamere we can't be more thankful and excited about this year's offering... 30 years flew by fast, and we want to thank our many customers far and wide and our local farmers and ranchers. Your trust in Justamere and our family has always been our utmost goal.

These bulls are very powerful in their design & build. The performance data is remarkable. Our goal has always been calving ease coupled with efficiency to help improve our bottom line for sure but always to improve you, our customers bottom line.

We have several sons out of Justamere Jaegar on offer. These big strapping bulls will improve your cowherd and just as important provide the high-quality replacement females that we are all searching for. Another very strong sire group is the EXAR Dry Valley bulls. They are good, full of length and depth of body with muscle and mass on very strong feet and legs. For a super quiet, excellent quality calving ease bull our feature lot 2 is a must to see. This son of Rock Star out of the EXAR Forever Lady female is smoking good.

We have several bulls in the sale that can propel your program forward. We ask you to look at the catalogue, check out the videos and if possible, come by Justamere and have a look before the sale, we know you will be impressed. Finally, we strive very hard to offer you our very best in bulls for this sale. This set of almost 40 yearling bulls are at the top of our herd for EPD's and carcass improvement data backed by a cowherd that has continually improved and stood the test of time. You have our full guarantee that we will stand behind our product each and every time. With cattle prices at an all time high its important to buy the bull you want and the herdsire you need. There is no reason for second string bulls in this important time in the cattle cycle.

We finally want to thank our family: Jon, Jim, Jorja and Tyra for their dedication to this business. It takes all of us to make it work plus our many friends and family that help through the year. Mark and Joanne Shologan and the crew are the busiest people we know, and we thank them again for the picturing and videoing of the bulls. Videos will be online the week before the sale. If we can be of any assistance, please contact us and we will be glad to help. Stay tuned for updates before the sale and keep in mind the semen opportunities at the end of our sale that are again one of a kind.

Thank you and see you at our 30th Annual Bull Sale at Justamere!

 This herdsire in the making has power and production on both sides. Justamere Gunner is a brother to our \$140,000 high seller Full Throttle that we lost too soon in his life. His dam is the picture-perfect Angus female in our mind.

BWT: 85 lbs WWT: 790 lbs
 This bull's pedigree is a surefire success. Gunner out of a Turning Point to the immortal EXAR Blackcap female line. This one is a head turner.

The only Dignitary 310J in our sale this year, but what a chunk of a bull. His dam traces back to the famous Basin Lucy cow family, still some of the most sought-after genetics anywhere. She is as consistent as we have at Justamere.

BWT: 88 lbs WWT: 817 lbs

These next few bulls are sired by the Supreme Champion bull HLC GQ 278F. He has an outstanding herdsire for Justamere, Hollinger and Nielson Land & Cattle. I guarantee the daughters of this prime bull will be worth their weight in gold. His dam is the \$44,000 EXAR Primrose 343 female. Pretty hard to find these great ones.
