ANGUS FEMALE SALE

LLOYDMINSTER, SK

Northern Livestock Sales
November 30th, 2023, 2 pm

Welcome

We would like to welcome you to the Maternal Showcase Angus Female Sale, at Northern Livestock Sales, Thursday, November 30th, at 2 PM.

On behalf of Running Steady and Justamere, we want to invite you all to this exciting event. When Dean Robertson and I decided we needed to trim down our collective cattle numbers early this summer in very dry conditions, we agreed we wanted to put our best foot forward and offer you from the very best of our programs, at Justamere and Running Steady Ranch.

As you go through the catalogue, it is full of young females from the well pedigreed, uniquely bred first

calvers, to the cow heifer calf pairs and the mothers to some of our bull calves for next year's bull sale. We feel we offer you a great opportunity. It's hard to let them go, especially when the market is on a very positive upward turn and only going higher, as far as we can foresee the future!

We at Justamere have always believed in the mother cow as the most important step to success. Commercial or Purebred, it makes no difference. We believe in structure, soundness, good feet and legs, efficient, maternal, with the ability to calve easily, and wean off above average calves. It is also important to back this up with performance and EPD data.

The females in this sale carry multiple generations of AI or trait leading herd sires and generations of tried, tested, and true angus cow families. We have spared no expense in our use of AI sires or walking sires genetically. We are striving for the best we can get, as long as it fits our criteria for a functional angus cow.

Every female in this sale is one that we would keep and carry on with. Keep in mind the AI and service sires to both Running Steady and Justamere females are unique and, in many instances, the only place you will find them in Canada.

We want to thank our good friends Dean, Tanya, Drayce, Darby, and Ricayla Robertson of Running Steady Ranch for being full partners in this sale with us, offering 40 of their females as well.

They are very busy people with many, many irons in the fire, hence when they named their angus farm Running Steady, I thought it was a perfect fit. Therefore, they are committed as well to raising problem free, functional cattle for their bull and female customers.

As I finish up, we want to reach out to our Ontario and Eastern Canada friends. We are willing to help you with a subsidized transportation rate for this sale. Contact myself, Jim, or Jonny for more information.

We would like to thank DLMS, Mark Shologan and the crew for a great job on picturing and videoing this summer and fall.

Also T Bar C – Chris, Ben and Shane for managing the sale.

Finally, the Northern Livestock Sales crew.

Brent, Brody Brocks, and Jim Pulyk. As

most of you know, this is the busiest auction mart in Western Canada.

Professionally run and committed to their customers, we are thankful that they have been on board since the day I asked if we could host the auction there.

The sale cattle can be viewed anytime at Justamere or Running Steady Ranch. Then they will be in the pens at NLS Wednesday afternoon or early Thursday morning, November 30. Please contact Justamere, Running Steady, or any of the sale staff on this exciting event. Thank you,

Jonathon

NORTHERN LIVESTOCK SALES

From the desk at

Welcome to the Maternal Showcase Angus Female sale on November 30, 2023, at Northern Livestock sales, Lloydminster, Saskatchewan hosted by Justamere Ranches and Running Steady Ranch. These two progressive purebred breeding operations have teamed to offer an outstanding group of breeding females for your selection. Since each operation co-owns cattle together with similar genetic makeup, this is the ideal fit.

The breeding females are in their prime production and the cow/heifer calves are

exciting. All the bull calves that are on side their mothers are retained for the 2024 spring bull sale.

Genetics are diverse with many an outcross to the mainstream and the fertility factor is very high as most have taken to the first or A.I. service. You will clip a coupon in a month or so. The large offering will assure the customer that there will be foundation stock for all types of operations and all types of budgets.

No doubt we are in exciting times in the beef cattle industry. The shortage of breeding females in North America, ensures that the market will remain strong or grow stronger. Maternal Showcase offers the opportunity for breeders and ranchers to restock and add to their existing programs knowing that the calves these females are carrying will have added value next fall whether you are a purebred producer or have a cow/calf operation. Plan to be with us for one or a pot load...it will be worth a day in Lloydminster.

Feel free to stop by their operations, they are not far apart, and tour the offering... or give Jon or Dean a call to discuss the offering and those that will suit your breeding intentions.

Plan to be with us on November 30th be it in person, online or on the phone for an exciting female sale from these progressive breeders. Feel free to contact any of the T Bar Team as they will be pleased to assist you with your selections and purchases in a confidential and professional manner.

Pasture exposed to RSR 702 Tribute 461K from April 9 to July 15, 2023, then exposed to RSR 839L Legacy 501K from July 15 to August 19, 2023 – Due to calve end of April

As I sit down to write this, it is with mixed emotions. We love our cows and enjoy the friends we have made over the years. We are not dispersing totally, but instead trying to slow down a bit. We are extremely busy with our construction company, and we are just finding it hard to keep up with everything. Drayce has come back to working with us on the farm, and the construction company, which helps us out immensely, and we enjoy the time together. The girls are off to school and Tanya and I are looking forward to travelling and relaxing a bit more. We are downsizing to around 30 cows for now. We think the cows we have selected for the sale are a nice addition to any herd, the calves are coming along nicely. The breds are later calving but will be great producers going forward. We would like to thank Jon, Shelly and the family for all they do for us. We are excited to be a part of this sale together. If you would like to view the cattle before the sale, please get in contact with Drayce or myself. We look forward to seeing you real soon.

Thanks,
Dean, Tanya, Drayce, Ricayla and Darby

in loving memory of

Wayne Russell

Our community lost a great man, not too long ago after a courageous battle with health issues. Our love and sympathy goes out to his wonderful family and close friends.

To me, Wayne was one of a kind. I was fortunate enough to know him when my good friend, Todd Swyripa and I were just young guys causing trouble. Wayne hired Todd to the Rusway crew and gave Todd a career and a path forward, like all young people need. I'm certain that Wayne and his family have done this for many people and families in our community.

I don't have enough space to write down all that Wayne has done, so I will try to keep it simple and from the heart.

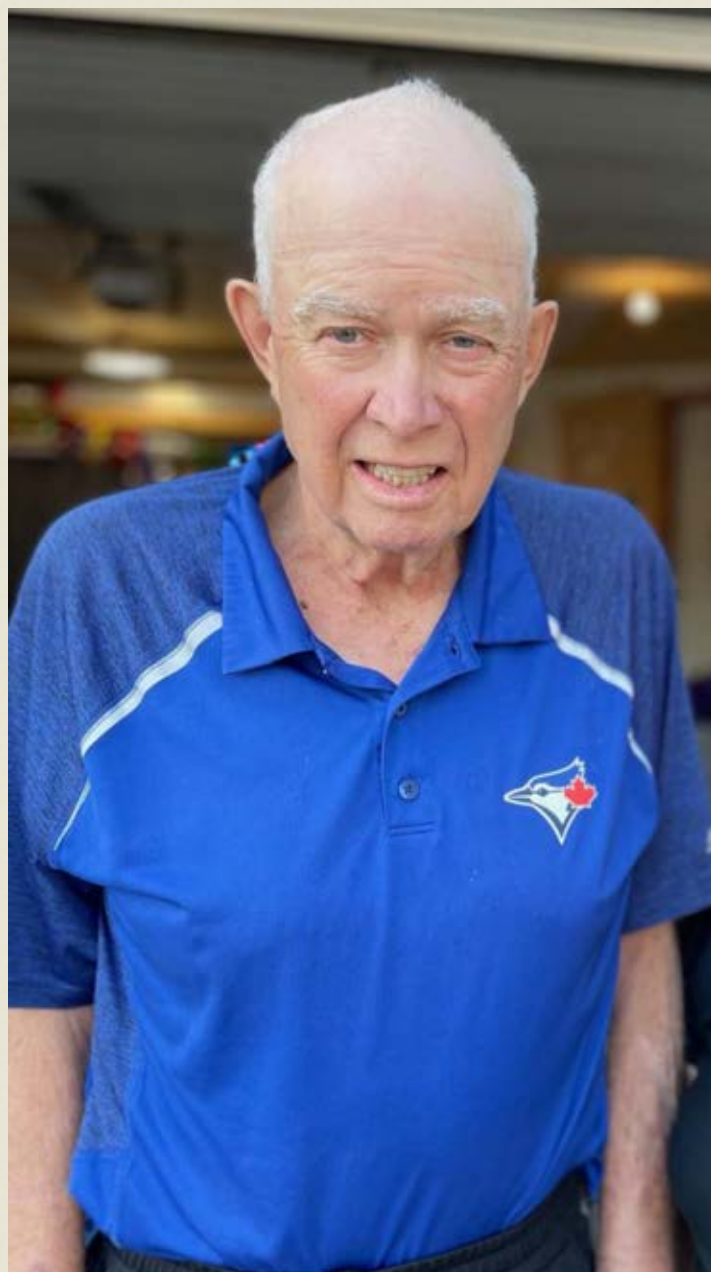

My family and I were fortunate enough to be included in Dean and Tanya's family functions. We interacted with all of the Russell and Robertson clan on many occasions.

I can honestly say I have never met a more fun loving, hardworking, honest, dedicated, generous, good to the core family. I believe that is what Wayne and Barb are, therefore, that is what their family has become.

We lost a great leader but his legacy will live on. I'm thankful to have been able to know Wayne.

God Bless the Russell family

Jon Fox

Terms & Conditions

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller.
