- Look for the sign on Main Avenue in Neepawa

welcome to the sale

As I write this we are continuing to see a very good cattle market that should last until the cow herds in North America rebuild. We are seeing no signs of this happening as our producers age and many are seeing this as a good time to exit the industry. We should see the cattle markets stay strong in the near future.

I have personally seen the bulls in this sale and feel the offering is once again very strong with performance bulls and calving ease. Many of the bulls are pigmented as an additional bonus. The baldie heifers in the sale have proven to be ideal beef cows and have been extremely popular. This year's offering may be the strongest yet.

The breeders in this sale are very approachable and would love to help you with your selection of your next herd bull. Feel free to contact any of us with your questions.

Lunch will be available prior to the sale. We hope you can attend personally, but for your convenience, there will also be online bidding through DLMS. Lois McRae will be available on sale day to assist with any livestock insurance needs.

We hope to see you at our sale.

Doug Troop

from the desk at T Bar C

Welcome to the 9th Annual Prime Plus Bull Sale on April 9, 2025, at the Stride Exhibition Grounds, Neepawa, Manitoba. Prime Plus features an offering of bulls from some of the finest Polled Hereford and Angus breeding operations in the province. Over the past 8 years, these leading breeders have supplied quality seedstock to the livestock industry. In addition to the bulls, one of the features each year is the offering of Hereford influence heifers... high quality commercial replacements and a valuable commodity in today's high flying market.

The lineup of bulls is the finest to date... bulls with performance, thickness, lots of top and muscle. In addition, they offer breed identity, plenty of testicle, ruggedness and hair, something we all needed this past winter. Over the past few years, it appears that breed competitors are searching for identity with a white or blaze face and with it comes the niceties that are not registered on paper but seen in the field.

CHRIS 306-220-5006

SHANE 403-363-9973

Plan to be with us on April 9th for Prime Plus 2025 and enhance your program with some new Hereford and Angus blood... you will be glad you did. Feel free to call or visit any of these breed leaders and preview the offering.

BEN 519-374-3335

LEVI 204-851-4515

If we at T Bar C, may be of any assistance prior to or sale day, do not hesitate to call any of our team and we will be pleased to assist in a professional and confidential manner.

Our performance bull in this offering. He will have an adjusted yearling weight of well over 1400 lbs. He is thick, stout, huge testicled, and pigmented. This is the kind of a bull I am always looking for. His mother is a beautiful cow with an exceptional udder and raised one of my top two-year-olds that we are calving out this year.

Homo Polled.

Sire TH Big Country 537G ET

This is a two-year-old heifer's first calf. She did a great job and has a near perfect udder. This calf is really quiet and has been a pet around here. A definite heifer bull candidate and you won't be giving up any performance on his calves. Being a Big Country son, he will be different than most Canadian pedigrees.

Homo Polled, free of all genetic defects.

Bobcat is a bull that has that herd bull presence. He is soggy, wide based, and short marked with extra pigment. He is out of an older cow in our herd that is always getting the job done.

Another Gold Rush son here, goggle eyed, dark red, lots of calving ease, this bull is out of my favourite cow in the herd. Tons of fleshing ability, maternal, and traits that are extremely low maintenance in this pedigree. I would be keeping this guy if I didn't have Gold Rush daughters going back in-herd. He will sire those easy-keeping, soggy baldie steers, or those beautiful uddered replacement females.

Gold Rush son that comes from probably the best cow family and best cow I bought from Doug's dispersal. There's no question, I'm hard on cows. Time is of the essence around here, and they better work for me or they won't be around. This cow family has everything I'd like to build around - good feet, great udders, and fertility, all while raising a good calf under my conditions. This bull calf is goggle eyed, dark red, with tons of calving ease to use on heifers or cows, and will sire beautiful replacements.

Left Eye: 100% Pigment
Right Eye: 100% Pigment

Gold Rush son, a heifer bull with a ton of calving ease. If you want to calve those heifers with no trouble, this guy will do the job. Only 72 lbs birthweight, goggle eyed, out of a nice, moderate framed Home Run cow with great feet and is a fantastic mother.

Left Eye: 100% Pigment
Right Eye: 100% Pigment

A Blueprint son off a Big Country daughter. Goggle eyed, good feet, lots of natural rib - the Blueprint sons are known for their calving ease. These guys weren't weaned till mid November. They have not been fed hard their whole life, pail fed to last. This guy weighed in at 650 lbs on October 21 - he gained just shy of 3 lbs a day - no creep, no extra inputs.

This 4H son is packed right full of meat and muscle. If you want to add pounds to your calves, here is a bull that will add length and stoutness. Longevity is bred into this bull.

Terms & Conditions

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Hereford Association or the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on

averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supercede any written material in the catalogue.
