**ANNUAL BULL SALE**

From all of us at SVR, we would like to welcome you to the ranch on Thursday, April 4th for our 24th annual bull sale. Over this past year we have seen the cattle market reach all time highs. It's about time everyone in the livestock industry is being recognized for their time and hard work, with hopes prices stay strong for years to come.

Our bulls are developed on a high roughage TMR ration with consultation from Bullseye Feeds. Our goal is to provide sound breeding bulls ready to go to work and last for many years. We are very impressed with the set of bulls we have put together for 2024. Considering the weather conditions and lack of moisture the bulls have come along quite nicely. The bulls are structurally correct, sound, free moving with good dispositions. The 2's are big stout bulls that will get the job done in the big pastures.

If we can assist you in any way or help you decide on your bull purchase don't hesitate to call! You are welcome to come tour through the bull pen anytime. We look forward to having a visit. Thank you to all of our repeat costumers that believe in and support our program year after year.

# FROM THE DESK AT T BAR C

Welcome to the 24th Annual South View Ranch Bull Sale on April 4, 2024, at the ranch headquarters, Ceylon, Saskatchewan. This progressive farming and ranching operation has been supplying the livestock industry, breeders, and ranchers with quality seedstock for over a quarter century. This wonderful multi-generational family unit offers a solid and powerful lineup of Red and Black Angus bulls, yearlings and two-year olds, for your breeding needs.

The Kaufmanns take pride in their cow herd, which roam the hills of Southern Saskatchewan. Developed with soundness of limb and udder, calving ease with performance, they are the reason that the offering of bulls each spring is uniform and consistent in type and kind.

Each year the folks at South View Ranch add new diverse genetics into the program to supply out-cross genetics for their commercial customer base... and keeping with tradition they offer new genetics for your programs. The first sons of Judo, a calving ease specialist; Elimination, a new outcross and look to Momentum for adding more performance out of the Red bull battery... exciting and value added. The black division offers Flat Top and Vision, who add more performance with optimal frame size and birth weight. Let us not overlook all the proven sires that make up their large sire pasture.

Feel free to stop by the ranch any time prior to the sale and view this excellent group of bulls with muscle, hair, and capacity whether you are looking for yearlings or rugged twos for bigger cows and bigger pastures, this offering provides breeding stock for all types of programs and all types of budgets. Do not hesitate to give the boys at SVR a call to discuss the bulls and those that will fill your breeding needs.

Plan to be with us on April 4th in person, on the phone or online, and do not hesitate to give any of us at T Bar a call as we can assist you with your purchases in a professional and confidential manner.

Judo 56J is a moderate framed, dark red, hairy, stout made bull. He is full of muscle and is very much a calving ease bull. His calves are all stamped the same with calving ease, hair and muscle that are extremely easy fleshing. His daughters in the replacement pen are very consistent. Judo stands on perfect or as close to perfect of a foot you will find. Judo did a good job on his first calf crop and we can't wait to see his daughters in production.

Red LWNBRG Elimination 84J is a good-looking bull that adds hair and growth while still keeping calving ease in mind. A bull with frame and shape and good look to him. His calves come at a moderate birth weight with vigor, get up, suck and grow. There is a very good group of Elimination sired heifers in the replacement pen. A unique new sire with SAV Bismark, Predominate and Rito 707 in his pedigree.

Momentum is a bull that we purchased from Duralta Farms. His sire, Red SVR Tornado 167C was one of the best red bulls that we have raised and backed by a very strong cow with a near perfect udder and foot quality. Momentum's dam is also a model cow with a ton of power. Momentum is extremely wide based with a ton of depth and rib shape. Momentum is dark red and black footed. His daughters have exceeded our expectations hitting production - they are easy fleshing, super uddered and highly maternal.

Home Town is a bull we purchased from Greenwood Cattle. He is extremely long spined, deep sided, and soft ribbed. Home Town is backed by an awesome cow, 23D, and his sire Natural Law surely needs no introduction to the angus breed. Home Town's sons are long, stout and very good haired with lots of bone. His daughters are having their first calves, they are long bodied, deep, pretty looking cows that have lots of milk and neat tidy udders, Home Town has met the expectations of what a herd bull should look like in our eyes.

# NOTES

# TERMS & CONDITIONS

**TERMS:** The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**CERTIFICATE OF REGISTRATIONS:** Each purebred animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**PEDIGREE ESTIMATES:** Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

**HEALTH:** All animals in the sale have met all necessary health requirements.

**GUARANTEE:** All sellers and buyers of Angus cattle in this sale are expected to be knowledgeable of and to abide by the Guidelines for Seller and Buyer Expectations and the By-laws of the Canadian Angus Association. These documents are available from the Association's office.

**LIABILITIES:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

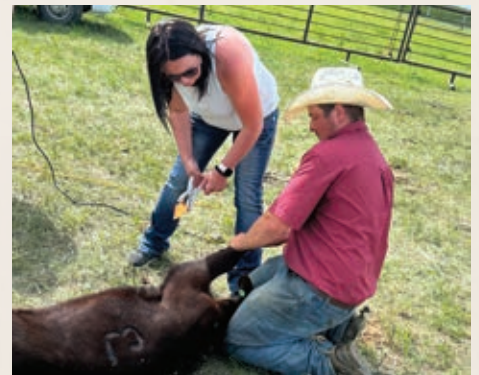

**DELIVERY:** Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold. Buyers are responsible for all costs involved with shipping of semen and embryos.

**PHONE, MAIL, WIRE BIDS:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**INSURANCE:** We strongly recommend that insurance is purchased for full value.

**ERRORS:** All announcements at sale time, written or oral, supersede any written material in the catalogue.

**IN-HERD SEMEN:** Consigners reserves the right to draw any semen on any of their sale offerings for in-herd use only. This will be at our expense and drawn in the off season.
