WELCOME

Well, after a lot of serious thinking and way too many sleepless nights, we have made the decision to have a dispersal sale of our registered cows. When we got married, a long time ago, we agreed that when we turned 55, that we would try to slow down and do more travelling. Now we are past that by a few years, HA HA, the decision has been made.

After 28 years in the registered Simmental breed, we got to know a whole new family of people that otherwise we would never have met. It has been really nice to follow the cattle market this summer and fall. These are the kind of prices that will allow the cow/calf producers the ability to pay the bills and hopefully get ahead.

We think that we are bringing to town a group of top notch bred cows and bred heifers that are bred to very good walking sires. We very seldom ever sold any heifers, due to the idea that we wanted to put the good ones back into our own herd. Along with the breds, we are bringing a very good set of open heifer calves that we think the quality is unreal good.

It hasn't been easy getting everything ready for a sale like this, we could not have done it without a lot of help. So, a HUGE thank you to Ryan, Sarah, Jack Archdekin and their crew of Ryan, Eric & Elliot. And, of course, Tyler Harris who took all the pictures.

Thanks to Chris & Treena, Ted at T Bar C Cattle Co and all their staff for all their help with organizing the sale.

We still plan on running a few commercial cows, so we will still be seeing everyone around the sales and will enjoy the visits.

Oh, and if anyone knows a good fishing hole for next summer, please let us know, we will be there. We are off to our next adventure!!! Cheers!!!

Thank you all in advance,

See you all in Lloydminster on December 20

Randy & Carol Werstroh

FROM THE DESK AT

T BAR...

Welcome to the Werstroh Farms Ltd. Dispersal, December 20, 2023, at the Northern Livestock Sales, Lloydminster, Saskatchewan. What a wonderful opportunity to select and purchase breeding stock from an "untouched cow herd" in Northern Saskatchewan. Over the decades, Randy and Carol have built an outstanding cow herd while being a dominant supplier of Simmental bulls to many repeat customers.

On December 20th, the entire cow herd is on offer, predictable cow families built over the years. They have retained all the bull calves for their annual spring bull sale in loyalty to their fellow consignors and their huge base of commercial customers.

Only in a dispersal can one select from the heart of a herd... although it will be sad to see these dedicated breeders retire, opportunity abounds for all in the industry to take advantage of their years of breeding and selection. In this exciting cattle market, we have seen those big Sim-influenced steers topping markets... it has been a long time coming and is well deserved.

Feel free to visit the ranch any time prior the sale and have Randy give you a tour of the cow herd in it's natural surrounding or just give him a call... he loves to talk cattle! Plan to be with us on December 20th be it in person, online or on the phone for the Werstroh Dispersal... it will be well worth the trip to see the **"best secret of the north"**. Feel free to contact any of the T Bar Team as they will be pleased to assist you with your selections and purchases in a confidential and professional manner.
